When I found out about this my heart instantly broke for you all. I never got to meet this little girl but I'm sure that while she was here with you guys it was a lifetime full of joy. Never forget those days that you guys got to spend with her. It will never make up the lost but it sure will make your heart a little less heavy. I love you guys. You all are in my thoughts and prayers. I will try to help in any way possible if you need me. Sami Reed

You all have been in my prayers since I learned that Skylah had health problems. You all are still in my thoughts and prayers, the only difference is Skylah is now a beautiful angel in God's arms and he sings her lullabies. Right now I know that doesn't ease your pain but maybe it will later. I Love you Amanda and Laurie. Aunt Teresa & Uncle Don Claxton
