gardening, canning, and was very meticulous about her sewing, crafts and flower garden.

Glenn was a loving wife, mother, grandmother, great-grandmother, aunt and a caring neighbor and friend. We know she suffered greatly from the loss of George, Kris and Kelly, but now her heartaches are over. With her golden heart at rest, we can always find comfort in knowing that she is with those whom she loved and lost. We will always cherish the many wonderful memories we had when we were all together, and know that we will all be reunited in the end.

I remember Glena as a very caring person. One day when I was in the flower shop, we were visiting and I mentioned to her about some things my family were going through. After listening she told me she would say a prayer for me. I believe she did and I never forgot that. She was a wonderful lady from a great generation.
