was at the center of her heart and Moletus the center of theirs. She had a deep belly laugh that came right from her soul and just made you feel warm. She was always there for those she loved, and found favor in being in the middle of family gatherings. Her door was always open and there was always enough room at her table. She leaves behind a legacy of love and strength for everyone who knew her. She loved to embroidery and made 44 quilts, including the one across her today. She was at her happiest on Bull Shoals Lake fishing. She enjoyed being outside and was always up for a challenge. We will fondly remember the wonderful dinners she made and the time she took to make you feel special. Moletus Myers, a loving wife, mother, grandmother, great-grandmother, sister, aunt and a caring neighbor and friend. We celebrate her life and accomplishments and will treasure the memories she created for each of us.

Memorial contributions may be made to the American Lung Association in care of HOLMAN HOWE PO BOX 366, SEYMOUR, MO 65746. Online condolences may be made at holmanhowe.com.
