It saddens me to hear of Tommy's death.Tommy and I went to school together in Mansfield. He was a great friend. We had a lot of fun times with many laughs. Tommy had a huge heart and was always willing to help anyone in need, he even helped me when I fell through a glass door while we were skipping school. Tommy will always have a special place in my heart. RIP my friend.

Tommy Wayne was a one in a million kind of guy... it did not matter whether you saw him daily or a year went by the closeness and fun laughter and love was still the same. This has come as a shock to everyone, and he shall be missed.
