Dean was a member of Bear Thicket Freewill Baptist Church and enjoyed his church and the companionship of his church family throughout the years. He had various hobbies that he enjoyed doing to occupy his time, and also enjoyed collecting antiques and other notable items. His family was very important to him and he was extremely proud of all of his children and grandchildren.

Dean was a loving husband, father, grandfather, great-grandfather, great-great-grandfather, brother, uncle, and was a caring neighbor and friend. How much I enjoyed coming to visit Uncle Dean and Aunt Clydie! So many memories chasing chickens on the farm with Keri, playing Troke, spending the night while all the clocks ticked, all those license plates, and so much more. I look forward to the day when "the last trump shall sound and the dead in Christ will rise first, and we who are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord." We are told to comfort one another with these words. Aunt Clydie and dear family, please know that I love you, that I'm thinking about you and praying for you. Love, Angie Millard Baker
