Darrell and Sandy were our next door neighbors for 10 yrs. Darrell was always ready to lend a helping hand to us or anyone else in the neighborhood. He was good at working with wood and made little toys for friends, he was most noted for his tricycles. If you had a tricycle that Darrell gave you, it was because he liked you. He made little step stool puzzles (some of my great grandchildren are fortunate enough to have one!) We enjoyed those visits with you and Sandy when we happened to be in the area. We will miss that but will still visit Sandy. I'm pretty sure, if there is a place there to fish that you are doing that at this very moment. I hope you catch some huge ones. God bless you Darrell and may you rest in peace! Ernie and Ginger
