Paige was a joy to be with, she loved laughing and making noise, listening to music and watching cartoons. She especially enjoyed riding with her dad on an ATV and taking boat rides. Most of all, having her family with her was her greatest joy. She was a loving daughter, granddaughter, niece and sister. She was an angel sent to us to love and watch over. Although her life was short, she made an impact on many lives and her memory will live on forever.
