Nanny I miss you so much.it is hard for me and misty this time a year it's been a year since i have been able to hear you voice i miss you so much.i still blame myself for your passing.you had to drop me off at dad's house,and if it wasn't for me you would have been able to get to the doctor in time.Sometimes I hear your voice and I think your here but then I turn around and you are not there.I love you so much.Let the dear lord carry you in his arms.We may never know why the dear lord passes on our relatives but we know it's for a reason we may never understand.Let the joy of life the dear lord gave you carry happiness to you and your family.Paige Moore
