**Betty Howe Sheppard** lit a candle in honor of Della.

Aunt Della was amazing woman. I will not ever forget several times that Aunt Della was telling my neighbors that she was my Aunt. And few other people. Also Aunt Della had a smile on her face and loved so many. Many fond memories to treasure & to share. I just have so much to type. But not enough room on here. We love you Aunt Della rest in peace.

"death leaves a heartache no one can heal but love leaves a memory no one can steal " a lot of my memories are when aunt Della would take me n Santana places like animal paradise that emu was scary sticking his head through the window lol. I am sorry that I am not there . I just can't do anymore funerals. I will always remember that aunt Della always had a smile on her face n always going over to della and uncle George's house. Please let me know if I can do anything just give me a call.

Trying to find the words to define such an amazing aunt is difficult. Aunt Della I remember going to hers n uncle George's house for holidays or just simply to visit. She always had a smile on her face and always welcomed me with open arms. I remember when she took me n Santana n aunt Virginia to animal paradise . It was a blast till the emu stuck his face in the car that bird was crazy! All the times that Della n George asked me how I was after all my operations . I know I am not there to see the family etc but I can't do another funeral. I will remember aunt Della for who she is and to my family I am sorry that I am not there. If I can do anything please call me. " death leaves a heartache no one can heal but love leaves a memory no one can steal "

One of my favorite memories of della was when me and her took David and little Danny to the lake. They were small probably about 5 and 7 we rode that stupid wild mouse rollercoaster we were both scared to death but was laughing the whole time. She had the best laugh
