## **Timothy C. Bushong (Seymour)**

APR 10, 1964 - OCT 11, 2016

**T**imothy Clay Bushong was born April 10, 1964, in Mountain Grove, Missouri, to Willard C. 'Buck' and Delta A. (Buchanan) Bushong. With loved ones at his side, Tim was greeted into Heaven the evening of Tuesday, October 11, 2016. He was raised in Seymour and attended Seymour schools. After high school, he began working at Hutchens Steel Plant, and then for Webster County doing excavation work. Tim's years of hard work and guidance working with Jim Cravens prepared him to later own and operate his own excavating company.

On May 25, 1985, Tim married the love of his life, Deirdre Diane Schuder, and to this union two sons, Devin Clay and Denton Larry, were born. Together they have shared over thirty-one blessed years.

Tim never met a stranger and loved to chat with anyone. He was known to always have a smile on his face. He was funny, good-humored and liked to laugh, just like his Dad. He enjoyed being silly with his nieces and nephews. Most free time was spent hunting and fishing with his sons. Tim was a Christian man; he was baptized December 10, 1995, by Reverend Gary Burr. Tim and Deirdre attended Diggins Baptist Church where he'd been a member for over 20 years. He also served as a trustee for a time.

Tim was preceded in death by his father.

Tim leaves behind his ever-loving wife, Deirdre, of the home; his two best friends, sons and daughters-in-law, Devin and Emily Bushong, and Denton and Kaity Bushong, all of Diggins, Missouri; his mother, Delta Stafford and husband, Don, of Rogersville, Missouri; two sisters and brothers-in-law, Barbara and Kim Turley of Springfield, Missouri, and Pam and Jack Cole of Rogersville; a brother and sister-in-law, Mike and Kathy Bushong of Chadwick, Missouri; a sister-in-law, Gedenna and Randy Thurman of Diggins; father and mother-in-law, Larry and Shirley Schuder, of Diggins; his dear nieces and nephews, Derek Turley, Kory Stucki, Bryson Pittman,

## Obituary

### **Timothy C. Bushong (Seymour)**

APR 10, 1964 - OCT 11, 2016

---

Breanne Ipock, Brooke Farnsworth, Brooke Stanley, Bailey Tennis, Mikayla Bushong, Jared Clark, Justin Clark and Amber Jessen; and many more extended family, friends, neighbors and church family.

Tim Bushong was many things to many people. He lived a life that set an example for his family. He was a devoted family man, a faithful husband, a loving father and father-in-law, a caring son, a loyal brother, a fun-loving uncle, a best friend, a trusted neighbor. Tim was a hard-working man and loved excavation, but he did more than just go to work each day. He used each and every day as an opportunity to witness to those he encountered. Tim's love of the Lord was apparent on his face and poured from his heart. His humble heart probably never knew the countless lives he touched and the impact he had on others. The many wonderful memories made with family and friends will be treasured in hearts forever. Tim will be so deeply missed by all of those blessed enough to know and love him. Heaven has gained a special man.

Memorial donations to Diggins Baptist Church may be made through the funeral home.

We are so sorry to hear this news. I know how it is to loose a son, BUT not this way so don't know how you feel. A message 2 times is almost more than a mother could handle. I am thinking of you all and I know no words can make it better really but it is always nice to know that someone is thinking of you. I know DeDe that your family's life will have been changed forever. We will never understand why but life has to go on and the way is to all support each other and savor the memories you have made as a wife, mother, famil. . Know we are thinking of you. Floyd and Janice Blankenship and family

**Sue Loughrige** posted:

When we were building our house Tim dug our basement. He did such precision work, it looked as if surgeons had used scaples! But it was what he did out of his heart that touched me so. We built in the woods so had a monster brush pile where they were to bring in our power line. We were needing the power badly to have the builders start and also to finish the well. I was alone as husband was working out if town. So I started the fire early one morning. It was burning slowly so every hour or so Tim would bring his dozer up and rearrange the fire then turn his dozer around backwards and rev the engine..it was like a giant blow torch! The fire would explode! By the time it was getting too dark to dig on the basement I had a monster raging fire! And no water! He stayed with me several hours and made sure things were safe before he left! My dog Gracie and I stayed all night with that fire. I shudder to think what trouble I would have been in without Tim's kind heart.
