Donna was a reflection of Christ in every sense of the word.. Precious soul!! Always there for you!! Worked to have a separate and distinct relationship with each and every person that she came in contact with. Always giving to others and loving with no restraint. I have happy memories of camping trips with her and a child with her and her family. Many Sundays spent with her where we shared our hearts and concerns with each other. We prayed together and brought every need before the Lord. I will miss her!! Her church family will miss her. I thank God for this wonderful friend.. Cousin.. and Sister in Christ!!! I know that she is with our savior today!! Family you will continue to be in my prayers..

My heartfelt sympathy and condolences to Donna's family and friends. Rode the school bus for years together. Reunited when we started attending the Seymour Nazarene Church together for several years. You could always rely on Donna for her forever non-stop smile and sweet, gentle spirit. Enjoyed the numerous occasions of time spent together doing kitchen duty for church dinners together. She will be missed. Julie (Goss) Spriggs

My thoughts and prayers go out to Trista and the rest of the rest of the Family. I worked with Donna at 3rd Street Sportswear when Trista was a little girl. We got to become Friends. I know she Loved her Family Dearly. Jamie and Trista was her world. God Bless and Be With You All.

When I moved back to Missouri and started meeting my cousins again, I was lucky to find a lot of them at the Nazarene Church in Seymour. When I met Donna I was struck by the presence of her gentle nature. She was such a kind gentle woman. She had this easy way about herself that reached out and touched other peoples lives. She will be missed by a lot of people.
