The Richardson family have been mine and mom's neighbors for years. You couldn't ask for better people. Doris always amazed me by all she did around her house. Always put mowing the yard working in the flowers. She will be sorely missed. My condolences to the family.

There isn't enough room to write all of the good about Doris. I ate my 1st wild turkey and venison at her table many years ago. She always treated me like part of the family. She was a wonderful woman who has left behind a wonderful legacy in her children and grand children, Sandy, Patty, Beth Roger, Gary and the rest of her family, our deepest sympathy to you all. She was one very loved woman and she will be missed.
