My folks always enjoyed visiting with Lilbryn and Lynda. I remember them playing pitch together. I remember playing with Malinda during these sometimes very early in the morning card playing evenings. I remember how nice she was to everyone and she was sincere. Sorry for your loss.LaNita Bell

I'm going to make a glass of chocolate milk every night now in those little amber cups because that's what we did every time I seen you and Grandpa." Hey Grandma, is that Hershey bottle still full?! " Lol

My deepest sympathy for your loss. I will celebrate the life of Linda and rejoice that she now resides in the arms of Jesus. I didn't know Linda well, but I knew and loved her parents as friends and neighbors. As I was a young wife and mother, Zadie taught me much.

My grandma was a one of a kind person. I spent every other weekend with her and my grandpa, she always made me the best chocolate milk any kid could ask for. Not a day will go by that I won't think of her. Even though she's gone she will always be in my heart.
