When our family moved to Seymour from Baltimore, MD in 1981 we had no family here. It didn't take long for Helen to make us feel welcome! We considered Helen family. She came and had Thanksgiving dinner with us for our first time away from family. She never knew how much we appreciated that. She was always smiling. She loved her family and grandkids but she made room in her heart for the Jones family!

I always remember when I was younger at Christmas time my parents would take me to Aunt Helens house to see her Christmas lights and her beautiful tree. I always enjoyed watching the train she had around her tree. We have had a lot of nice family gatherings at her house. Love you Aunt Helen and now your in the hands of our father.
