Grandpa we are going to miss you! You were Cole's buddy and I loved seeing you and him together. When I came over last week Cole was sitting on your lap and you guys were looking at the tractor supply ad together and it just melted my heart. I wish you could be here to see my babies grow up. We love you!

I love you Grandpa! I hope you're with Grandma again! I'm going to miss you. I'm going to miss your laugh, your smile, your orneriness. The way you gave everyone a hard time for the fun of it. I wish the kids would've gotten to spend more time with you, getting to know you. You were a great man!

I am pretty sure this is my neighbor. He will be missed. I loved setting on my front porch watching him mow his yard. the smell of fresh cut grass. Irvin will be missed. He was a very good man. Always waved as he come home or as we left or just to say hi. Always in competition with my other neighbor on getting his yard mowed. Irvin rest in peace. You will be missed
