My Dad was one of a kind. His love for his family was the greatest. For those that knew him knew he was a simple Man. That left an impression in me to enjoy the simple things in life. I have so many fond memories of him. He always made me laugh with his silly ways. I always felt at peace in his presence and I could not have asked for a better Dad.

I have so many wonderful memories of my dad, it's difficult to choose just one. We always had a wonderful time together, especially when we were at the river. I am grateful for all of the time we spent visiting on the porch and for every opportunity we had attending Sunday church service. I'll never forget how silly he would act in front of the mirror, checking himself out and saying "wow, I'm good looking!" And he sure was handsome! His love cannot be replaced and will live on in my heart.
