I worked with Jill at Great Lakes for many years. When we spoke we always talked about the good memories we had from working together. Thank you for sharing beautiful Katie and Roxy. Loved having them in the office, always felt calmer with them around. My thoughts and prayers to Jill's family and friends. Rest in peace my friend, you will be missed.

To the Deau family, Jill and I became friends many years ago. We belonged to the same church and spent time together in Bible study. What I remember most about Jill was her faith in God, her love of music, and her ability to take life one day at a time. Her knowledge of the Bible and her ability to memorize verses amazed me. She and Roxie were an inspiration to our Celebrate Recovery family. We all missed her when she moved to Missouri. My deepest condolences to her family at this time. May God give you abundant grace as you go through this difficult time. Linda and Randy Jurgens
