My mom was not just a mom. She was a friend to her 3 children. I believe in my heart my mom loved her kids more than anyone on earth. She had a rough life as a teen and as an adult. But no one would tell her what to do and that trait was passed down to my 2 wonderful sisters and myself. I got so many memories I can't write any because they just lead to more and more and more stories. But know I love you and I think of you all the time. I wish I could talk to you. I wish you could talk to my children. But I want you to know I did see you about 5 months ago and I KNOW IT WAS YOU under the circumstances. When I knew it I cried on my wife's shoulder and told her what happened. It was you and I know it. Thank you for coming back to reality years ago and excepting us kids as YOUR KIDS. We never gave up on you and you turned out to be a pretty dam good mom. We will all see you again someday. I hope it's not soon but I will see you again! I love you and miss you mom, let's meet up again like we did a few months ago. Love you,Eddie

my mom was filled with excitement and always kept busy doing something.. she always enjoyed life how ever she could.. she wanted us kids to be happy and her grand kids and great grand kids.. if she thought we needed help of any reason she would help us make a buck and not ask for anything back in return..she tried to keep us aware of what was happening with her health as she was told by the doctor and toward the end by the hospice ladies.. my mom wanted to have her last final days to be at home with us by her side but she fell and broke her hip/leg and from that fall it took her from us... she was put in the nursing home and everyone knew that was not her wishes..but it happened.. so plez let your family know with out a spare moment that EACH AND EVERYONE WHO IS CLOSE TO YOU THAT THEY KNOW WHAT YOUR wishes are before it is to late..it didn't go the way my mother wanted and she knows she knows everything...i pray for forgiveness .. my final thoughts and god bless##imported-begin##berlinda bruhn owen##imported-end##

I agree with Eddie, his mom lived her life the way she wanted. And that is exactly how it should have been. Like Elvis said, I did it my way. One thing in life you could depend on with Mary Jewell, if you needed her, she would be there for you, 100% all the way, day or night, she would be there. She will be greatly missed. I loved her laughter, she had a heart full of it. My deepest sympathy to her children, grandchildren, brothers and sisters. Our cousin will be missed for sure.##imported-begin##Inez Hicks##imported-end##

Mary was such a sweet person with a big heart. I remember growing up with her and thinking her middle name was so fitting, because she was a jewel. I remember how happy & excited she was when she was pregnant with Eddie. I didn't see her much after that as I left the Lebanon area. My prayers are with all the family. Love all of you.##imported-begin##Judy Blue Weitkemper##imported-end##

Granny I love you so much. I wish I got to see you just one more time. Its killing me being so far away from you. I've looked up to you my whole life even being in Texas. I will never forget you and how amazing and understanding you were. Once we found out we're moving back to Missouri I've been talking about Sean and the boys meeting you. I hate that they won't be able to. It's hurting me so much knowing that you're gone. I love you so much Granny. I will miss you till the day I die. I'll make sure Kian and Aiden know how amazing their Great Granny was. I'll come visit you soon I promise. I love you Granny, you'll Always be in my Heart.##imported-begin##Megan Bruhn##imported-end##

I know a lot of us may not agree with the choices my mom has made in her life. But they was her choices. She lived her live to the fullest and we obeyed her wishes by no Morphine. She went to heaven on her terms. I will miss you mom. You may not of been the best mom, but you was my mom and I also was not the best son. As you look down upon us from heaven please guide us kids and grand kids. We need to only look inside ourselves to see you. Your spirit will never die and someday we will meet again. I will miss you and until the day we shall meet again, let it be known that I love you and I will miss you.##imported-begin##Eddie Bruhn##imported-end##
