We first met Jack and Norma when we moved here from Indiana in 1996 and visited the First Congregational Church in search of a church. Norma made it very clear to us that we needed to stay there and worship with them. Jack made puzzles for our three children. I have 2 banana tree's and a wooden squirrel for pulling the rack out of the oven. Jack and Norma definetly made us feel welcome in the church as well as their home. We have missed them both very much. We know that are with our Lord and Savior and will be smiling down on all of us.##imported-begin##Pam and Jeff Smith##imported-end##

I am so sorry to learn of the loss of Jack. I really miss Norma and Jack as they always had a smile, hug or kind word to offer to you. I will have a little wooden stool that Jack made me over 13 year ago. I treasure it!Sincerely - Lisa Dampier-Clark##imported-begin##Lisa Dampier-Clark##imported-end##

Our thoughts are with you all. We have such good memories. Jack and Norma always had a special place in our hearts, and in the hearts of each of our family. We missed Norma so much. Then when Jack moved to be closer to you all, we missed him so very much! Glad he had these last years to be close to his family, you all meant so much to him! Jack & Norma has always held a special place in my heart. I meet them at church when my family first moved here to Lebanon. I was also their nurse when I first worked with Dr. Qualls. He was our candy man there at the clinic. Both would always bring a smile to anyone's face. I will deeply miss them both, but they are with our Lord and Savior now together. You're in our prayers. Our thoughts are with you. We have such nice memories of both Jack and Norma, and their dog. We lived down the street on Booten and would stroll our two daughters everyday to there house to visit. The girls always wanted to see what Jack was making in his garage. We was always telling us alittle bit of history and Norman was such a delight to be around. We still have a piece or two from his craft, which we will have for along time to come. We will miss them both. They were a loving couple and highly respected by all.I still have the organ I purchased from Norma many years ago and Jack would always ask about it when I would see him.He was a wonderful person and I know he will be sorely missed.Betty Collette##imported-begin##Betty Collette##imported-end##
