Brandy, Becca, Angela,Christina, Leslie, and I all sat with each other for lunch in Jr. High and I remember some good times. We all hung out at the skating rink together and fought over all the cute boys...all one of them 8)Her smile is infectious and her heart as big as an Angel. She will be greatly missed and my heart hurts for her family.I pray for peace and comfort for you all during this difficult time.~Pam~##imported-begin##Pam Dawson##imported-end##

To each and every family member, my heart goes out to you. I did not know Becca personally, but I know the family and can rest assured that she was a good person. Edwin, I have been where you are now, losing a child is very painful, but rest assured that she is in Heaven and will be your special Angel. Friends and family will get you through this sad time, but the memories are what's left. Always look up, your Angel will be looking down.
