David Earl Myers (Lebanon)

JAN 20, 1953 - MAY 11, 2010

David Earl Myers, son of Claude O. and Thelma Roberts Myers, was born January 20, 1953, in Lebanon, Missouri. He departed this life Tuesday, May 11, 2010, at his home, near Lebanon, Missouri, at the age of fifty-seven years, three months, and twenty-one days.

He was preceded in death by his father; and his wife, Tamera Lea (Benton) Myers. David is survived by a son, David Myers, II, and his wife, Esther, of Oldfield, Missouri; a daughter, Amy Myers, of the State of Colorado; his mother, Thelma Myers Kuhnert, of Lebanon, Missouri; three brothers, Bobby Myers, of Urbandale, Iowa, Donnie Myers, of Lebanon, Missouri, and Gary Myers, of Branson, Missouri; a sister, Susan (Myers) Westbrook, of Lebanon, Missouri; three half-sisters, Lisa, Lori, and Christie; a step-brother, Bruce; a step-sister, Gail; several nieces and nephews; as well as a host of other relatives and friends.

He was born and raised in the Lebanon area and then moved with his mother and sister to Springfield, where he graduated from Parkview High School. He then attended Baptist Bible College in Springfield, where he played football. Although most of his adult years were spent in Lebanon and Springfield, he had also made his home in Colorado and several states to the west. He was a reserve deputy with the Springfield Police Department for a time and had also worked at ranches in the Western United States. He was a multi talented man, but was happiest when being a cowboy and mountain man. He owned and operated a hat shop for awhile, and had later worked as a carpenter, doing remodeling jobs.

David had professed his faith in Christ and was a member of Seminole Baptist Temple in Springfield, where he drove a bus route for the church for several years. In his spare time he loved music and liked playing the guitar and singing. He also enjoyed working on old cars and had restored a 1966 Pontiac Bonneville and an Oldsmobile.

Who are you and why are you being so rude? What pray tell did brother David ever do to you? He was a human being, with family and extended family that loved him dearly. This is no place for you to make slams against him.

I just received the news and am absolutely heartbroken... I haven't spoken to David since January and then due to personal circumstances had to have my number changed; I meant time and time again to call and tell him of this. I met David in a little pub in England when I was 18 years old, we fell in love and four weeks later I was on a Greyhound bus travelling down from Newark to see the man of my dreams. I spent many happy times with Thelma and Herman and throughout the twenty one years since I left, have always remained in contact, even if only by a couple of calls a year or the odd card here and there. I really can't believe that my lovely, wonderful friend is truly gone and the only way I can get through the rest of today will be by listening to his favourite tunes: John Denver, Anne Murray, The Eagles. I send all my love to the Myers family, some of whom I knew and remember fondly. I knew and loved David for over half of my life and will think of him every day.... much love from 'Jolly Ol' England' as he used to say x (Would you please contact me Gail on sparklyannie@hotmail.com when you are free x)##imported-begin##Anneliese##imported-end##

Dear Family,The news of brother David passing away so tragically came as such a shock to me today.All evening I have turned back the pages of time within my memories and found many fond remembrances of David and his wonderful wit, charm, smiles and laughter. Not to mention his outstanding good looks. Tall, tan, broad shoulders, thick waves of dark hair and a wonderful smile. Always so polite and thoughtful. Let's not forget his many talents too. Carpentry as well as musical talent and a great singing voice too.The most fond memory of David, Rocky as we all called him, and Susie, was the afternoon the four of us, Rocky, Susie, Bruce and myself, were all supposed to be taking a nap on a quilt in the back yard. Mom had given us all a bath and washed our hair and put clean clothes on all of us as the entire family was to go somewhere when the dad we all shared got home from work. We didn't sleep a wink! We all got up and played in the mud! We had mud boots and mud gloves and were making mud pies too! Having a grand old time with mud all over us!Then mom came to the back door and checked to see if we were sleeping as she had planned! We were all so muddy she wouldn't let us in the back door! We got hosed off and scrubbed down and cleaned up all over again in the back yard with a garden hose! But we were ready when the time came to go where ever it was that was so important.I remember the villages we made in the sand box. Match box cars and little sand castle houses and we even made streets so we could travel to each others homes. The back seat chorus!'Boom Boom An't It Great To Be Crazy' and 'Titanic' and 'Noah's Ark' and 'Amen' and 'Down In The Boondocks' and 'Hole In The Bottom Of The Sea'.... Those days were wonderful, one of my most precious treasures and I'd love to do them over again. I do, in my mind, from time to time.May GOD hold each of you in the palms of his powerful and loving hands forever!Sincerely,Gail##imported-begin##Gail##imported-end##
