My best memories of Uncle Bob were traveling to Ohio and stopping to have breakfast with him. He also introduced me to twirling, something that I enjoy greatly through my high school years. I also will never forget him playing the piano. (that is one thing that I should have stuck with) but can't change the pass just work on the future. You did make a mark in my life for that I THANK YOU. JodyJump##imported-begin##Carolyn (Pollock) Turner##imported-end##
