Don't know if anyone will see this as it has been so long since her passing, but if this message does make it's way to her family I just would like everyone to know that the best memories of my childhood life while living with my father are all because of her. After I moved in with my mother, Debra always held a special place in my heart and I missed being with her. She was and always be a special part of my life. I still have vivid memories of Falcon, Missouri even. Hope all is well with you and your families. Derek Desterro (formerly boone)desterrotattoo@gmail.cominternational phone 011 55 48 98804 5989
