August 11, 2012-To the wonderful family - I am so sorry for your loss of Flo. I learned to love Flo and Vernon in 1967 when I would travel with them from K.C. to their farm in Falcon, MO. While there, Sheila and I would have so much fun - always so much to do. Hauling Hay - camping by the river and hearing the Whippoorwhil all night; I ate my first frogleggs that night! First time I ever ate honey. I visited many times with them to their farm, and I will always hold the warmest place in my heart for Flor and Vernon. It is a great loss for everyone that knew her.Barbara Winn Spanknoble913-904-8660 (c)spanknobleb@bv.com##imported-begin##Barbara Winn Spanknoble##imported-end##
