In her spare time she enjoyed cooking, baking, working puzzles, and entertaining. She also liked sitting on her porch, reading her Bible and devotionals. Her favorite activity was spending time with her family, especially her grandchildren.

Audie was a loving wife, mother, grandmother, great-grandmother, sister, aunt, and was a caring neighbor and friend. We celebrate her life and her accomplishments and know that her family and friends will cherish the wonderful memories she created for them during her lifetime.

A memorial has been established to Harvest Tabernacle, Project 19.

Sister Audie had a way of knowing when you need a encouraging word even when you didn't say anything. One day we got news on my brother Tim he was in the hospital and he was about dead she walked up to me and told me God loves you and it's gonna get better and she gave me a kiss on the cheek like she always did. I am gonna love and miss her very much!!!!

What a precious lady who always had a smile and a hug for everyone. She will be missed incredibly. My heart is aching for your family. The road of grief ahead of you will be dark and difficult and some days will be harder than others but always remember the sun will shine again- some times just for a brief moment, other times it will shine long enough to make the flowers bloom. Take as long as you need on this journey. Don't walk it alone. Reach out when you need us no matter how far down the road you are. We love you.
