Many times throughout the years I have thought of Frank and wondered how he was. I was so saddened to hear of his passing. He was a very thoughtful caring person and helped my family out more than once. My condolences to you Tomi, and to any extended family. Pat Coffman

Frank and I were good friends in the 80's and 90's, we worked together, laughed and fished together. Always a very good friend and advisor, he pulled me out of many hot irons.Frank totally loved Tomi and was an inspiration to me, I have thought of him often thru the years and will never forget him.Tomi, heart goes out for you, if you ever need me, just call, I'll try to be there for you as Frank was for me.
