My deepest condolences to all the family of Marge. Although I'd know her my whole life it was in working with her at Nickerson's that I really got to know her. I waited tables wearing her diamonds and I write this smiling, she was so good to me...she was also a blast!! So much fun, I simply loved her. I'll always remember one piece of advice she gave me "a woman will never be too old to need her mom". So true. Through the years after I moved away I'd see her and it was always special. A wonderful woman, beautiful inside and out. She will be greatly missed. May God comfort each of you with a peace only he can give Ginger Bradshaw

I worked with Marge at Nickerson Farms and she was delightful. Her daughter, Debbie and I have been friends since first grade. Marge was a beautiful woman who took pride in everything she did! I'm sure she is happily reunited with Junior now. My heart goes out to the family at this time. May God heal their hearts and bring them comfort.
