I remember Tiny from the fall coin show in Springfield MO. He would have some of the best stories and take out his phone to show pictures of other people's works and brag on them. A humble man that encouraged and cared. Much appreciated. Good memories.

Tiny was a joy to see every summer in Colorado Springs. He was an inspiration to so many of the YNs some who are now adult collectors and/or professional in our great numismatic community. I feel blessed to have known him. Bill Rosenblum

This would have been my 10th year teaching advanced grading at the ANA summer seminar and "Tiny" was a fixture during my time there and he will be surely missed by all who knew him.

Daniel "Tiny" Cross will live on in the memories of those who met him at the American Numismatic Association's Summer Seminar. Tiny was a tireless volunteer and a friend to so many. His dedication and service to the Association and to the hobby of numismatics earned him notable honors such as the Adult Advisor of the Year (2006) and the Glenn Smedley Memorial Award (2017) for volunteer service. We carry Tiny in our hearts, and with each gathering for Summer Seminar, his legacy will endure. My condolences to his friends and family. With sympathy, Kim Kiick

Tiny, Summer Seminar will not be the same without you there. Thanks for all you did for the YNs, even shaving your beard one year to raise money for scholarships. May you rest in peace, I will miss you. Mark Hammang

Tiny, there are at least three generations of collectors in whose minds you will live until we all meet again. Joseph Boling

RIP Tiny, you will be missed by many. From shuttling people around on the golf cart, to telling all of the jokes. We will all miss those famous overalls at the Summer Seminar. Thank you for all the memories and condolences to the family.
