Mike Whitney posted:

Glenda and Danny: Uncle Edd was one of the kindest and most gentle men that I have ever known. I recall the many family get together's we had in Fairbanks, and the stories that were told and shared by Edd and the Whitney boys. As the years passed the hectic pace of life increased and our families became more distant, but I will always remember the past, and smile when I think of Uncle Edd. So sorry for your loss.
