---

Maureen was a talented artist and painted many beautiful pictures throughout her life. Maureen loved square dancing. She was a member of the Lake of the Ozarks square dancing team. The team traveled the country in the mid 1950's. They made fifty-two weeks of film in Nashville, appearing on stage with many of the great country music artist of that time. These films still appear on television from time to time as a program called "Classic Country". Even in later years, her feet would tap and move a bit when hearing good old country music.

In her spare time, Maureen enjoyed gardening and spending time with her family and friends.

Maureen was a loving mother, grandmother, sister, and aunt, and was a caring neighbor and friend. We celebrate her life and many accomplishments and will treasure the many wonderful memories she has created for her family and friends.
