Martha you always would say Love you little love big just like a little pig each time we would leave that was so sweet. Thank you for being there for each and everyone of us. Just two years after I joined the family and I lost my daughter you were there offering a final resting place for her with your family. Leslie loved you for the short time you got to know each other. You loved Whitney just as she was your own grandchild. Whitney has always loved to hear your stories of when you were little. Mariah always loved to be with you and hear about that "old bear" that would steal her bottle when she was little. You will be greatly miss. This is not good bye but just until we meet again. Love you little, Love you big, more than a little pig.

To Martha-Mom Ruble: What a wonderful & beautiful lady you always were! Every moment I ever spent with you was a true blessing in my life....we never had one single bad moment or bad word between us! I am so thankful that you were my mother-in-law and my dear friend for so many years....I always loved your hugs and that wonderful, sincere smile of yours touched my soul and always put a happy feeling in my heart! On this earth, there is no doubt that you will be greatly missed by so many who love you. Dear lady, each and every memory of you will be cherished and all of us who love you know that Heaven has certainly gained another beautiful and very special angel. Rest in peace.

Grandma, I appreciate you taking such great care of me as child and helped raise me into a beautiful, happy, and thankful young woman. You raised an amazing son (Hobert Ruble) into a great father. I have been so blessed to have such an amazing grandmother that taught me so many things, made me laugh, made me cry, and made me appreciative of everybody and everything. Grandma I love you soooooo MUCH! I will miss you and always carry you within my heart, I will always keep you in my thoughts and prayers. When I have children I will tell them some amazing stories that you have told me and ones that I have shared with you. I am thankful that you can be with my sisters (Jovanna Potts) and (Leslie Walker) and all your other loved ones that we have lost here on earth to hold them and love them while me can't here on earth but one day we will all be back together again. I love you grandma. Rest In Peace, and God bless you! Xoxo.Love always and foreverYour Baby,Mariah Ruble
