Johnny and I were so sad to hear of Steve's passing. It seems so unreal! I met Steve almost 30 years ago at Marathon Electric where he was my supervisor in the Winding department. He always greeted you with a smile on his face. Steve was kind and friendly to everyone and will be missed by many. Sending Hugs, Love and Prayers to Tara and Max as well as all his family and friends.

I met Steve while at a garage sale one day. Got to know him and soon we were hitting sales together with Kenny. We hit yard sales all over the Ozarks. We became very good friends and sometimes our faces would hurt from laughing from having so much fun. Steve had a saying "Sometimes you're the head, sometimes you're the tail", when referring to our arrival at a sale. Steve truly had one of the most gentle souls I've ever seen. I know he's going to be missed greatly by family and friends. My prayer is family and friends will take comfort and rejoice knowing that this fine man is now in the presence of our Lord Jesus Christ. Thank you brother Steve, for your friendship, and the time we got to share. Rest easy my friend...

I worked for many years with Steve at Marathon Electric, and after living away from Lebanon for 20 years, I moved back and reconnected with him (at a garage sale, of course!). In a world where so many are constantly angry and grumpy, Steve could find humor in most things, and I treasured that. He will be greatly missed by SO many friends and family. Prayers for Tara, Max, and many friends and family.
