I knew harvey growing up and always loved being around him what little I had been. We used to haul his hay my dad, Kenny and the rest of my family. I hadn't seen or talked to him in a long time but miss him just the same. He will be sorely missed.

Sorry I couldn't be there, but I'm feel that I lost my best friend. I can express my deepest sorrow to all who knew my uncle, for he will be surely missed by all. To all my relatives I have missed seeing, please hold your head up high when talking about Harvey. He gave really more than he should have, but that was his way and we all be proud we got to have an relative so caring. My prayers go out to everyone who grieves at Harvey death, and we know he is with his family up above. With all my love, David Lyle Sartin Harveys nephew
