graduating with honors and as Valedictorian of her Class of Windyville High School. She then moved to Kansas City, Missouri where she worked for the Hallmark Company for a short time. She met her future husband on a blind date and soon after they were married. They made their home in St. Charles for a few years where they started raising their family before returning to Lebanon in 1963. They made their home on a farm near Lebanon and took over the Cackle Hatchery from Clifton's parents, Clifford and Lena Smith which they operated together up to the current time. Nancy and Clifton both worked hard to keep the hatchery going and keep things happening. For the past ten years, they have also owned and operated Clifton's West Side Café just across the street from the hatchery.

Nancy was a longtime active member of Trinity Lutheran Church. She was involved in many phases of church work and was always willing to help anyone in need. Church attendance was always a priority in her family and she worked hard at continuing that through the years. Her mission field was her family and their work place associates who she worked with together as a team in building the hatchery to places she never dreamed was possible. She also worked hard at renovating the west end of Lebanon.

In her spare time she enjoyed sewing, crocheting, and working in her garden. She was an avid reader, liked playing games and enjoyed watching Wheel of Fortune and The Price Is Right on television. Her family was at the center of her life and love was the essence of her. She was the glue that held everyone and everything together. She was the Rock of her family, and loved them all very much. She especially enjoyed having time with her grandchildren and great-grandchildren.

Nancy was a loving wife, mother, grandmother, great-grandmother, sister, aunt, and was a caring neighbor and friend. We celebrate her life and know that her family and friends will cherish the wonderful memories she created with them during her eighty-one years.

A memorial has been established to Trinity Lutheran Church and donations may be left at the funeral home.

My heart goes out to her family and work family. I've been doing business with Nancy for over 34 seasons buying chicks. I can recall one day I had ducks dying and I couldn't figure out why. So I called Nancy and around 5:30 I was dissecting my 1st duck over the phone line with her telling me what to look for. Figured it out...I had hung there water in a bucket with the new type of nipple drinkers and the little ducks couldn't reach it and between the heat lamp on and no water they dehydrated. Even teaching me how to sex them at 3 or 4 days old. Just a caring lady 100% when it come to problems like this. I always enjoyed talking to Nancy when I was in to pickup my Chick Day order. Nancy you'll sure be missed in the office and across the street at the restaurant!! Thanks for all the Great years!! Jennie @ Miller's Feed & Pet Farmington Mo.

Dear God..... Where do I start.....Our hatchery Belt Hatchery, in Ca., had ordered all of our breeders from Cackle. They arrived in San Francisco dead. My God! I cannot explain the anguish! But, this dear soul, saw to it that we had replacements. She had a heart for people. May her son, Jeff, carry on her tradition.
