On October 30, 1952, he was united in marriage to Carolyn Rose Ripley Heintz, and to this union one daughter and one son were born.

He was preceded in death by his parents; his wife, Carolyn, on August 20, 2018; and a brother, Edwin Heintz.

He was born and raised in Buffalo, New York where he attended public school and graduated with honors from South Park High School. He then moved with his parents to the Echo Park neighborhood of Los Angeles, California, in 1947. Earl attended UCLA, graduating with a Master's Degree in Psychology and minoring in Engineering. Earl met his future wife, Carolyn, on a UCLA Geographic Society camping trip, and after being married in 1952, they made their home in Venice, California, and lovingly raised their children.
