Howard became my brother in law in 2016. He was always willing to help if anyone needed help. He truly loved his grandkids and horses and taught his grand daughters how to ride. Me and him talked about horses. He became more than a brother on law to me. He became a very good friend. See you later my friend!

This is my daddy; the most amazing man to ever walk this earth! I will always cherish the memories of him with momma and us kids. His grandchildren and great-grandchildren were the light of his life. He loved watching them play and riding horses with them. We will always and forever be grateful for all he taught us. I love and miss you Daddy!
