Bonita Potts posted:

When Elvin and I moved to Springfield in 1990, after traveling throughout the states for years, we especially enjoyed initiating a big family reunion for the Potts family and it was then that I first met Leslie (and many others). He was so friendly and we enjoyed seeing him at the reunion. Since I moved back to Michigan to care for a learning disabled brother after Elvin passed in 1999, I did not keep up to date with many of Elvin's relatives other than his children and grandchildren. I did speak to Leslie a couple of years ago and he was very upbeat and positive, even with the health challenges he had developed (amputations, etc.) He and Elvin are now together with the Lord and we can look forward to seeing them both again some day! What a glorious day that will be! My deepest sympathies go out to all of the family and especially you, Chance. Am so sorry for your loss. You will be in my prayers.
