My mom Tawnya was one of the strongest women I know she went through so much but she pushed through every obstacle that came her way!! Our family is struggling with her loss greatly. She will be truly missed but we will always carry her in our hearts!!! I will never forget all the memories we made together and I'm so grateful for all the videos of her playing her guitar and singing on Facebook I will forever cherish those!!! I have so much more to say about my mom but I'm struggling to pay this right now I'm still in shock that she's gone and even just talking about it tears me up!!! I love you mom and until we meet again fly high and watch over us and R.I.Paradise😭😭😭😭

I really don't know Tawnya but I was looking at her Facebook account and her live videos and was wishing I had been lucky enough to have met her. I just loved her sense of humor and her personality. She seem to be a woman that lived life to her fullest and kept the world smiling around her. I'm very sorry to her family and friends of their great loss you all are in my thoughts and prayers 🙏
