Some of my favorite memories growing up involved hanging out with Ty and Jacob at Sharon and Steve's. Sharon never hesitated to open her home to us kids with loving arms and we never went home hungry or without having laughed so hard our sides hurt. I will always cherish those memories and my thoughts are with Ty and Steve and the rest of the family. Wyatt Fitzgerald

If anyone spent even 5 minutes with Sharon, they immediately had a smile on their face or, more than likely, were outright laughing. She was a hoot and we will forever miss her smile and kindness. Ty, Wyatt, and Jacob spent many a boys night at Steve and Sharon's playing pool, cards, games, watching movies and Sharon always fed them and talked about those times long after they moved on. I know for a fact Wyatt never forgot how much fun they had and Sharon was a huge part of that. Our thoughts and prayers are with your whole family and we hope all your memories will help you through this very tough time. The Fitzgeralds
