Massachusetts and Patrick Mercer and his wife Kathy of West Springfield, Massachusetts; and many nieces, nephews, aunts, uncles, cousins, in-laws and friends.

Sharon enjoyed living the beautiful Missouri Ozarks, but she loved going back “home” to Cape Cod, Massachusetts. Having fresh lobster while in Cape Cod was a special treat she looked forward to. She and Michael also liked going to the I-44 Speedway in Lebanon.

Family was very important to Sharon. She was a devoted wife, a loving mother and caring grandmother. We celebrate her life and accomplishments and will cherish the wonderful memories made with her for years to come.

Sharon was a wonderful woman. I miss the days that she, Lisa and I would walk at Mercy on our break. During those walks we would learn how much her family meant to her. She loved them and was always concerned about them. I'll be praying for the family; she will be missed and the days ahead will be difficult.

Sharon and I worked together for many years but she was so much more than a co worker, she was like a mom to me. There was many nights talking on the phone laughing and talking. You will forever be loved and remembered. Hummingbirds will always be the sign your near. Prayers and love for Mike (Papa) and the rest of the family.

Sharon's smile and laugh were contagious. I will miss her laugh. She loved her family and friends. Her sense of humor and her heart no longer with us has dimmed us. Hower it's those same memories that remind us she is still with us and makes our hearts smile.
