Susie & I have been friends for 13 years. I am deeply sadden by her sudden passing. Trying to process that she is truly no longer with us is very difficult for me as well. Susie's friendship meant the world to me & always will. Although we hadn't seen much of each other before her mother's passing not a day has gone by that I didn't think of her wondering how she & her family were doing. My condolences go out to her entire family whether you knew me or not I'm so so sorry for your loss she will be greatly missed. "Trudy" is my nickname she gave me years ago and I have and will always cherish that the rest of my life. Til we meet again my best friend "R.I.P."

Saying goodbye to Suzie feels impossible. She was a true friend, always putting others first and sharing her light with everyone around her. Suzie had an incredible gift for seeing into people's hearts, and her wise words often guided me through tough times.
