husband and loved making Rebecca laugh and getting the “are you serious” look and then the reply “really? You’re such a dork!”

Chris loved his Bennett Spring church family and enjoyed helping in the church, as his health allowed. The love from the church was so special to him, along with each and every person.

In his spare time, Chris loved rebuilding cars, motorcycles and anything else he could redesign. Riding motorcycles was a favorite pastime of his.

Chris was a loving husband, father, grandfather, son, brother and uncle and was a caring neighbor and friend. We celebrate his life and accomplishments and will treasure the many wonderful memories he has created for his family and friends.
