We were honored to have David as part of our Camp Case teaching staff for over 20 years. He would always say, you don't need to call me! The answer is always "yes". I always want to help with Camp Case! He was a natural when it came to working with kids--his love for his profession was evident. He was one of the original Camp Case Ambassadors , an honor bestowed on those who have made a significant investment of time and help with Camp Case. We will miss you greatly, David.

I remember the incredible activities, games, and contests that Dave organized for our character rewards and assemblies at Maplecrest. His creativity and energy brought joy to so many students—they truly loved being around him. He had a unique gift for connecting with kids and making school a fun place. I feel fortunate to have worked alongside him and learned from his example. Beyond school, Dave often spoke with pride and deep love about his family, especially his boys. His face would light up when he talked about them. Your family is in my thoughts during this time. May you find comfort in knowing how deeply he impacted the lives of others. God bless.
