“ I rode the school bus with Audrey's girls. It was a fun 45 minutes. I lost touch when they moved, but it's good to see all the family their mom has to remember her and pass her love along. My sympathy to all of you. Here is Audrey at Blackbird School in 1940, back row. You can always pick out the Brim kids by their light hair. Linda McGuire

“ Audrey O. Candler was my grandma I use to love it when grandma would tell me stories when I was a little boy. Grandma took his boys fishing and we picked blackberries across the road from the old farm house and always had 4th of July with grandma. My grams was the best grandma in the whole wide world because she was all of our grandma and no one else's.
