

Charles Watkins (Camdenton)

November 13, 1939 - February 15, 2020

Charles E. Watkins, age 80 of Linn Creek, Missouri, died Saturday, Feb. 15, 2020 in his home.

He is survived by his wife, Shirley, of Linn Creek.

If hard work and kindness are the measure of a man then Chuck Watkins was the best of all of us. He was a giant; 6' 5" and 290 lbs. with a booming baritone voice and hands as big as lunch boxes.

Everyone loved Chuck. Everyone. Over the past few decades Chuck traveled throughout Missouri, Kansas, Arkansas, Florida, and Massachusetts. And when someone would recognize him, which was often, they would get a huge smile and yell "You're Chuck Watkins!" Everyone was always thrilled to see him, and there has never been an ill word spoken of him.

He passed away surrounded by loving family and friends. He was a great man.

“ Always loved working with Chuck has was always nice guy with great stories and fun to be around. I haven't seen him in years but always appreciated the times I got to work with him.

My condolences go out to his family and the many friends he had in local 441.

“ This is my Uncle Charles. My Favorite. I have memories going back to early childhood but my most cherished are the ones spent around him as an adult, especially in the last 10 years. When I would go back to visit my dad, my uncle always made time to visit too! He loved me and my family, especially my beautiful "babies" that are now young adults too. I will truly miss him.
