

Christina Ann Kee (Bolivar)

December 18, 1984 - March 18, 2020

Christina was a graduate from Bolivar High School. She played Basketball, Softball and ran track. She received an Associates of Science degree in Medical Assisting while in Montana.

Christina enjoyed spending time with her children, family and friends. She was a dreamer that loved music, being silly and cracking jokes to make someone's day better. She was one of the kindest people you could ever meet. She opened her heart and home to many people over the years. She had the most beautiful smiles that could light all the stars. If you were lucky enough to be present when she gazed into her children's faces, the pure joy radiating from her would blind you.

She will be sorely missed. Please remember her beautiful spirit and live life to the fullest, because life is much too short.

Due to the virus, there will be a Celebration of Life in early August.

In Lieu of flowers donations can be made to her children. A savings account will be made for each of them at Bank of Bolivar.

To send flowers or a memorial gift to the family of Christina Ann Kee please visit our Sympathy Store.

“ Christina was one of my best friends when I attended SBU. She and her family opened up their home to me for the holidays when I was not able to make it back home to Texas! We always had a great time and she would give you the shirt off of her back if you needed it. I'm in total disbelief right now, but I know she will be remembered by many friends and family. I love you Chrissy! I found a picture I drew of you back in 2005.

“ As we light these five candles in memory of and in honor of you, we light one for our grief, one for our courage, one for our memories, one for our love, and one for our hope.

This candle represents our grief. The pain of losing you is intense. It reminds us of the depth of our love for you.

This candle represents our courage – to confront our sorrow, to comfort each other, and to change our lives.

This candle is in your memory – the times we laughed, the times we cried, the times we were angry with each other, the silly things you did, and the caring and joy you gave to us.

This candle is the light of love. As we enter this holiday season, day by day we cherish the special place in our hearts that will always be reserved for you. We thank you for the gift your living brought to each of us.

And this candle is the light of hope. It reminds us of the love and the memories of you that are ours forever. May the glow of the flame be our source of hopefulness now and forever. We love you.
