In his spare time he enjoyed making beer and was very proud of the quality of his beer and took pride in his brewing abilities. He also enjoyed fishing and being outdoors. He possessed a good sense of humor and liked to laugh.

“ My apologies—spell correct changed “kidding” to “kissing” in my previously posted memorial—I can hear Dan laughing now!

“ I worked with Dan and Garland both at Copeland—Dan was a great guy and I enjoyed kissing around with him. He could be really funny and I’ll miss him. Love to all the family and friends that I know will miss him too.

“ Dan was my stepdad. He never replaced my dad but he was a great grandpa to my two youngest. He loved my mom very much. For that I loved him. He will be greatly missed.
