“ Delores and my mom (June Purvis) were long time friends. Our family from Indiana used to visit them in Missouri for a week each year and My dad called it vacation! It truly was. Our visits during those years has made a lifetime of memories. Delores was my second mom, and when she said to go do something, you did it! No whining, no excuses and no blaming someone else if it went wrong.

All her kids and my brother and sisters got along like we were siblings. Swimming in the creek, playing at the saw mill, and my favorite, tying a string on a June Bug and flying it like a miniature airplane! And when it came time to go home I gave them something to make fun of me...I cried because we had to leave!

I miss those days and I miss you Delores!

Love,

“ I loved to come & visit with Delores & the family. My mom June Purvis, & dad, Rollie , & all 5 of us kids would stay a few days every year. Delores would make such delicious "tall" biscuits. We had a lot of fun & we did everything together (like picking berries), etc. Delores was a very special friend. I want all of you kids to know how sorry I am that she is gone, but not forgotten. I love all of you .

“ Barb I always loved your mom's laugh. It was contagious you had to laugh with her. I will forever hear her saying about the woodpile with that onery grin on her face. Peace and comfort for all of you. We will laugh with her again.

“ Barb, As you know my favorite memories of your mom is our kidding back and forth over the years about her curlers. I will miss her. My love and prayers go out to you and the family.
