Doreen had many gifts and talents. She was an incredibly loving, patient, and kind wife, mother and grandmother. Doreen was an excellent pianist and had a beautiful alto singing voice and played and sang on a Lebanon radio station each week when she was a teenager. “ I was very fortunate to call Doreen my best friend—we grew up attending the same church and going through high school together and then we were roommates in college. I will have her family in my thoughts and prayers as they go through this time of mourning the loss of a very special wife, mother, sister and friend.

Blessings,
