“ My heart goes out to you Johnny and all of the children and family. Glenda was a very devoted friend. She adored you Johnny and the children, her family and friends. A very loving kind woman who had a deep faith in God. I wish I could have seen her before she passed. I know she is pain free and happy but I also know she will be missed enormously. God Bless you Johnny. I know God and the many happy memories will see you and the family through this difficult time. I love you and Glenda.
